CLIENT TESTIMONIALS

“Cos was incredible as the Contract Lead on Ticketmaster’s NFL Program. Responsible for ensuring every single contract line item was identified, developed, and tested across dozens of teams at Ticketmaster was a herculean effort that resulted in over 1,000 components to manager. We hit every major contractual milestone according to contract, with documented proof for the NFL, avoiding any penalties whatsoever on the program. This absolutely would not have been possible without Cos’s professionalism, attention to detail and tenacity.” - Kelli Bryant

“Cos has been a fantastic collaborator for 4+ years. He acutely listens to the problems and can corral all the different stakeholders to make change happen. On top of being good at his job, he’s a genuinely good person who has the best interests of the team at heart.” - Scott Maier
